Subject: Designation of Lead Agency for Community Services Block Grant

This letter is to advise you that I have designated the Nevada Department of Health and Human Services (DHHS) as the lead state agency for administering the Community Services Block Grant. The DHHS will insure that the block grant is coordinated with state programs, local organizations, and local Community Action Agencies in order to provide low-income families and individuals with opportunities to achieve self-sufficiency.

Sincere regards,

BRIAN SANDOVAL
Governor
