

FUND FOR A HEALTHY NEVADA (FHN)

Office of Food Security

Lily R. Helzer, MPH Section Manager

CURRENT NOFO REQUIREMENTS/ CONSIDERATIONS

NOFO Requirements/Considerations

- **Collaborative Partnerships:** Only applications from collaborative partnerships involving two or more community organizations will be considered.
- **Comprehensive Food Security Solutions:** Proposed initiatives should address both short-term and long-term solutions to food insecurity, including offering immediate food assistance and linkage to additional social services and programs that support and encourage self-sufficiency
- **Target Populations:** Initiatives must serve Nevadans of all ages.
- **Nutrition Education:** Applications are encouraged to supplement proposed initiatives with evidence-based nutrition education opportunities for the populations served.
- **Evaluation and Data collection:** All subrecipients will be required to collect client demographic data, including race, gender, and age, to the best of their ability.

NOFO APPLICATION REQUIREMENTS

NOFO - Application Requirements

Abstract – Description of the proposed project and must include target area, services provided, project partners, total budget and a description on how the funds will be used (5 points).
