Vision Statement:

All children with developmental disabilities or special needs in Nevada will be provided opportunities and supports to participate as fully as possible in the typical places and activities of their families and communities in order to achieve optimal health and development.

Mission Statement:

The mission of the ICC is to support and assist with the ongoing development and implementation of quality statewide early intervention services for young children with disabilities and their families. To accomplish this mission, the ICC will:

- Advise and assist the state lead agency in the development, implementation, and evaluation of policies and procedures.
- Commit to a Part C service system where all providers and stakeholders at the state and local levels participate in a comprehensive partnership to maximize outcomes for children and families.
