If you are applying for a **LICENSE** pursuant to
Nevada Revised Statutes (NRS) Chapter 449
or Nevada Administrative Code (NAC) Chapter 449

PLEASE READ THIS IMPORTANT MESSAGE

If you are seeking INITIAL STATE LICENSURE

Due to workload related to facilities already licensed by the Bureau of Licensure and Certification (BLC), there is currently up to a **FOUR MONTH** wait before BLC can conduct the initial, on-site licensure survey of your facility. BLC recognizes that this may create a hardship and is working to establish additional resources in order to conduct surveys in a more timely manner.
