PROGRAM POLICIES AND PROCEDURES FRC-101

- I. All Family Resource Center programs must develop policies and procedures that describe the service area, location of services, outreach activities, and type of services provided. Goals of the program and evaluation methods should be outlined in the agency's Policies and Procedures Manual.
- II. An agency Policies and Procedures Manual and this FRC Policies and Procedures Manual must be available at each program site and all staff paid with Family Resource Center funds must receive a copy of both Policies and Procedures Manuals.

ELIGIBILITY FRC-102

- I. The FRC programs must develop policies and procedures that identify the types of services provided for individuals and families and criteria for receiving services.
- II. The policies and procedures shall include the following clarifications that relate to eligibility:
 - A. All services offered shall be voluntary and optional for individuals and families. No action will be taken without individual/family participation and request for services.
 - B. All FRC services must be available to any at-risk individual/family seeking services.

GENERAL PROGRAM REQUIREMENTS FRC-103

Agencies receiving FRC funds must ensure the following:

- I. Program Location and Identification
 - A. Each FRC service area must have a **primary service location within the funded service area**. The FRC must be located within one of the assigned zip codes or within the assigned county. Exceptions to this must be approved by the grant manager. The address, telephone number, and other pertinent contact information for all service sites must be provided to the state grant manager.
 1. Any changes in address, telephone number or other pertinent contact information must be submitted to the FRC grant manager within one week of when the change was made.

- B. Signage must indicate that FRC services are provided at the location and list the days and hours of operation.
 - C. Programs must have an answering machine or voice mail system that identifies the program and the days and hours of operation.
- II. Environment
- A. All FRC programs should provide a space that is private for client intake and case management services. This space is defined as a room or office with a door.
 - B. All FRC programs must develop policies and procedures to ensure that all program facilities maintain a smoke-free environment to include the following:
 - 1. Smoking will not be permitted at any time in any program facility.
 - 2. In accordance with NRS 202.2391, each facility shall designate a smoking area for employees to use when they wish to smoke. This area may not be an area where children or family members are present.
 - 3. "No Smoking" signs must be posted at entrances to all program facilities.
- III. Action/Outreach Plan
- A. All programs must have an action/outreach plan for providing services throughout the entire funded service area.
 - B. Programs must provide services at identified outreach site locations in zip codes reporting the highest incidences of child abuse.
 - C. The Action/Outreach Plan must be developed with input from members of the family resource center council and local and state elected officials who represent the geographic area in which the family resource center is located.
 - a. Who provided input on your action plan must be identified on the action plan.
 - D. The Action/Outreach Plan must be submitted to the FRC grant manager at the beginning of each state fiscal year. The Notice of Grant Award will not be issued until the FRC grant manager receives and approves the plan.
- IV. Program Staffing
- A. All programs must notify the FRC grant manager when an employee resigns or is dismissed from the program. Notification, by e-mail or fax, must be made within one week of the employee's resignation or termination.
 - B. All programs must notify the FRC grant manager when an employee is temporarily leaving the program on extended medical or personal leave. Notification, by e-mail or fax, must be made as soon as the dates of the

employee's leave are known and the information must indicate the beginning and end dates of the leave.

- C. When a new employee is hired, the FRC state grant manager must receive by e-mail or fax within one week, the name, resume, and hire date of the new employee.

V. Client Assistance Forms

- A. All FRC staff will receive training and assist clients in accurately completing the following Division of Welfare and Supportive Services (DWSS) application forms:

1. Temporary Assistance for Needy Families (TANF)
2. Supplemental Nutrition Assistance Program (SNAP)
3. Medicaid/Nevada Check-Up
4. Energy Assistance
5. Child Care Assistance
6. Medicare Savings Program (MSP)
7. Low Income Subsidy (LIS)

Forms to be incorporated into the OCPG software coming late 2019.

VI. Marketing Materials

- A. All marketing materials and FRC websites must contain a statement indicating the source of FRC funding: "This FRC program is funded by a grant from the Nevada Department of Health and Human Services, Office of Community Partnerships and Grants."
- B. Distribution of marketing materials (such as, but not limited to, calendars, newsletters, and special event fliers) through e-mail lists and mailing lists should include the FRC grant manager.

VII. Match Documentation

- A. NRS 430A.100.3 discusses the match requirement.
- B. Match is required in the amount of 10% of the total amount granted
- C. You must submit back up documentation for match.
- D. Examples of match –
 - i. In kind donation
 - ii. Volunteer hours
 - iii. Monetary donation
 - iv. Valuable item donation, review IRS guidelines for donated items and tracking.

These are just examples if you have specific questions on your match options please discuss with your grant manager.

LOCAL FAMILY RESOURCE CENTER COUNCIL FRC-104

- I. Family Resource Centers are required to develop a Family Resource Center Council to assist the program in meeting the needs of their program service area.
 - A. In accordance with NAC 430A (<http://www.leg.state.nv.us/NAC/NAC-430A.html>), each program must establish an Advisory Council comprised of community residents and collaborative partners. All Advisory Council agendas and minutes must be available for review. Advisory Councils must meet a minimum of twice a year.
 - B. July 1 of each fiscal year. Provide a list of the members with date appointed and date of appointment expiration.
 - C. Council must approve all FRC documents at meeting with the items noted on agenda. Documents including but not limited to:
 - a. FRC Policies and Procedures
 - b. Disaster Response Plan
 - c. Employee handbook
 - D. Council must be made aware of any audit findings (State, Federal or independent). All audits must be placed on the agenda for meeting.
 - E. Multiple signature tier required for all FRC payments.

DATA COLLECTION PROCEDURES FRC-105

- I. All FRC programs must develop policies and procedures to ensure that all required client demographic information is collected, and case management is provided.
- II. OCPG will be implementing a software system for reporting, data collection and progress reports. This is expected late 2019.
 - A. Each FRC program should use the following forms for client intake and assessment. Substituting forms must be approved by the FRC grant manager. With the implementation of a new software system to the FRCs these forms and procedures may change.
 1. FRC Welcome Form
 2. Client Agreement Form
 3. Release of Information Form
 4. Family Assessment Tool

- 5. Cash Management Worksheet
- 6. Family Goal Worksheet

Changes to these forms and tools to be implemented with software coming late 2019.

- B. Every client living in the Service Area who accesses the FRC in person at the primary or outreach site will sign in on a sign-in sheet and indicate if he/she is a first time or returning client.
 - C. 100% of clients accessing the FRC in person will complete the FRC Welcome Form and have a case file.
 - D. Every client calling the FRC will be noted on a daily telephone log with referrals and information provided.
 - E. An assessment will be completed with clients who access the FRC in-person and the case manager will work with the client to create a Family Goal Worksheet. Ongoing telephone and in-person meetings will be conducted to assess the client's progress toward achieving his/her goals.
 - F. If a client presents at a FRC that is not in his/her Service Area, the case manager will have the person complete the *FRC Welcome Form* and *FRC Release of Information Form*, which will be faxed or scanned to the appropriate FRC, along with an FRC Referral Sheet listing what services the person received. A goal sheet is not completed for this person, nor is a client file generated. The FRC Welcome Form, FRC Referral Sheet, and signed Release of Information form are filed in a locked cabinet in the event that the person returns or the fax/scan was not received by the intended FRC.
 - G. All FRC case files opened during a fiscal year should remain open for the entire fiscal year. All closed FRC case files should be retained for a period of three years from the date of closure unless agency policy requires a longer retention period. At the time of disposal all information in the case file must be shredded.
 - H. All FRC case files that are retained must be stored in a locked cabinet or storage facility.
- III. Electronic Records
- A. FRCs may choose to store records electronically per NRS. 75.030. All records retention rules and regulations apply. The record may be stored electronically so long as it is retrievable in perceivable form.
- IV. Confidentiality
- A. The FRC Policies and Procedures shall ensure that all records (including daily sign-in sheets and Welcome Forms) are maintained in a confidential manner and that the use or disclosure of any information for any purpose not directly connected with the administration of the FRC program is prohibited.

- B. Social Security Numbers shall not be collected on any FRC documents.

Reference: NRS 239B prohibits governmental agencies from collection of Social Security Numbers except for specific purposes /programs such as benefits through the Division of Welfare and Supportive Services. (<http://www.leg.state.nv.us/NRS/NRS-239B.html>)

VI. Notary Services

- A. Notary services may be provided at the FRC. If you budgeted for this service, you may request reimbursement for the fees associated to providing this service. You may not charge a fee for this service.

UNIVERSAL PRECAUTIONS

FRC-106

- I. All FRC programs must develop policies and procedures which ensure that all services are provided in compliance with current federal and state laws and regulations regarding transmittable diseases. At a minimum, these policies and procedures shall address confidentiality, record keeping, Universal Precautions, and staff training, which will improve the overall prevention of the spread of diseases and work to promote general health and well-being.
 - A. The policies and procedures must ensure that the information regarding the status of a transmittable disease on a child or family member is maintained in a confidential manner.
 - 1. No information regarding an individual's status of a transmittable disease will remain in any records or case files.
 - 2. Staff training shall address serving individuals with transmittable diseases as a part of the agency's orientation and training.

USE OF PHOTOGRAPHIC IMAGES

FRC-107

433.331 <http://www.leg.state.nv.us/NRS/NRS-433.html>

- I. All FRC programs shall develop or adopt policies that are in accordance with state law which ensures, to the extent possible, that no child is abused or neglected for any reason. To ensure the safety of children and the proper reporting and investigation of abuse and/or neglect, any instances shall be **immediately** reported as provided for in this policy in accordance with state law (NRS 432B). For the purposes of this policy, “abuse and/or neglect of a child” is defined as, “the non-accidental physical or mental injury, sexual abuse or exploitation, negligent treatment or maltreatment (as set forth in NRS. 432B.020), of a child which is caused or allowed by a person responsible for his or her welfare under circumstances which indicate that the child’s health or welfare is harmed or **threatened with harm**. A child is not abused or neglected nor is his or her health or welfare harmed or threatened for the **sole** reason that the parent or guardian in good faith selects and depends upon non-medical remedial treatment for such child, if such treatment is recognized and permitted under the laws of this state in lieu of medical treatment.” Concerns **are** legitimate reasons to report and the court may require a subsequent medical examination and treatment. (NRS 62.231).

A. Reporting Procedures

Any employee, independent contractor, or volunteer of the FRC, upon observing, hearing of, **or suspecting** child abuse or neglect shall make a verbal report immediately, but in no case longer than one hour, to their supervisor or to the person acting in that capacity.

B. The supervisor, upon receiving the verbal report shall:

1. Assure that immediate action is taken to provide for the child and employee's welfare and safety.
2. Assist the employee in making a verbal (immediately) and written report (within 24 hours) to Child Protective Services and/or a law enforcement agency. Information shall include (sample forms attached hereto):
 - a. The name, address, age, and sex of the child;
 - b. The name and address of the child's parents or other person responsible for his/her care;
 - c. The nature and extent of the abuse or neglect of the child;
 - d. Any evidence of previously known or suspected abuse or neglect of the child or the child's siblings;
 - e. The name, address and relationship, if known, of the person who is alleged to have abused or neglected the child ; and
 - f. Any other information known to the person making the report that the local or state agency responsible for providing child protective services considers necessary

C. Documentation of Reports

1. The reporter shall keep a note in their records, calendar or diary that they have made a report and to whom and when the report was made.
2. The supervisor shall maintain a centralized and confidential file of all reports.
