\*Proportional Share

The Proportional Share of Funding was established in the SFY 2016 funding formula and the CSBG State Plan for 2015-2017 approved by the Office of Community Services. It will be used to allocate funding in future SFYs until data from the next Federal Decennial Census is available, or the funding formula is revised through the public hearing process per Sections 678(b)8 and 678(c) of the CSBG Act.
