

DHHS Problem Gambling Services
Stakeholder Survey

Thank you for completing this survey. The information you provide is very important in helping us to evaluate and strategize ways to improve problem gambling prevention and treatment services to problem gamblers and their concerned others. Your responses to questions will be kept anonymous unless you request otherwise. The survey should take between 15 to 30 minutes to complete. **Please return the completed survey by Friday, October 5th, to GMU@dhhs.nv.gov**

Instructions: Please respond to the following questions to the extent you are comfortable. If you need more room to answer the questions, use the back of the pages.

I. Background.

- a. Name (optional): _____
- b. Phone number (optional): _____
- c. Employer (optional): _____
- d. Position & duties as relates to problem gambling: _____
- e. Service Region or City: _____
- f. Stakeholder group(s): (check all that apply)
ACPG Committee Member _____ Treatment Provider _____
Prevention Provider _____ Current DHHS Problem Gambling Service Grantee _____
Other _____; describe: _____

II. Strengths.

Thinking about DHHS supported problem gambling system, what do you view as the system strengths?

Use this scale when rating sub-question "a" for items III through VI

0	1	2	3	4	5
<i>No changes needed</i>			<i>Moderate Needs</i>		<i>Critical Needs</i>

III. State Resources.

(a) Using the 0 – 5 above scale, rate how much need is there to improve upon the way state resources are used for the prevention and treatment of problem gambling? _____

(b) Tapping into Medicaid funds to help support problem gambling treatment is under consideration. Do you support this concept? Yes _____ No _____

If you have concerns about pursuing Medicaid funds to help pay for gambling treatment, please explain those concerns?

(c) What suggestions do you have as to how to more effectively and efficiently use state resources for the prevention and treatment of problem gambling?

IV. Service Delivery.

(a) Using the above 0-5 scale, rate how much need there is to improve upon the service delivery system for prevention and treatment of problem gambling? _____

(b) DHHS is exploring shifting the administrative responsibility over their Problem Gambling Services from the Office of Partnerships and Grants to the Nevada Division of Public and Behavioral Health’s Substance Abuse Prevention & Treatment Agency (SAPTA). Do you support this concept? Yes _____ No _____

If you have concerns about relocating Problem Gambling Services to SAPTA, please explain those concerns?

If the relocation to SAPTA occurred, what recommendations do you have to assist in the success of such a transition?

(c) What suggestions do you have as to how to improve upon the problem gambling service delivery system?

V. Service Gaps.

Using the above 0-5 scale, rate how much need there is to better address service gaps in the current problem gambling treatment and prevention system? _____

What do you view as the greatest service gaps?

What are your suggestions for ways to address these gaps?

VI. Workforce Capacity.

Using the above 0-5 scale, rate how much need there is to improve upon the capacity of the behavioral health workforce to better address problem gambling? _____

What suggestions do you have as to how to improve workforce capacity?

VII. Suggested Changes to Assist Success.

(a) If you are a current DHHS Problem Gambling Services grantee, think specifically about your program, what modifications can be made by DHHS to better support your program's success?

(b) If you are a current ACPG member, think specifically about the ACPG, what modifications can be made by DHHS to better support the ACPG and your involvement?

VIII. Other Comments or Suggestions?

Is there anything else that is important for the evaluator or for DHHS to know?
