**Vision:** A Healthier Nevada

**Mission:** The mission of the Nevada Division of Health Care Financing and Policy is to:

- Purchase and provide quality health care services to low-income Nevadans in the most efficient manner;
- Promote equal access to health care at an affordable cost to the taxpayers of Nevada;
- Restrain the growth of health care costs; and
- Review Medicaid and other state health care programs to maximize potential federal revenue.
DHCFP Goals

- Improve the health of Nevadans
- Ensure access to cost-effective care
- Improve the consumer experience and the quality of care provided
- Engage with providers to encourage participation in the Medicaid program
- Support program integrity activities to ensure that state and federal taxpayer dollars are spent effectively and to prevent fraud, waste and abuse
- Ensure appropriate managed care oversight
- Focus on home and community based services rather than institutional care
Summary of Agency Operations

- The Division of Health Care Financing and Policy works in partnership with the federal Centers for Medicare & Medicaid Services (CMS), to providing quality health care for eligible Nevadans.

- The Division of administers the Medicaid program and Nevada Check Up (CHIP) program.

- Nevada procures most services by paying monthly per member premiums to contracted managed care organizations (MCOs) in urban areas of the state, while care for Nevadans who live in rural counties are served through the state’s fee-for-service system, where the state makes payments directly to health care providers.

- These programs serve many of the states lower income and vulnerable populations. Medicaid covers some services that are not typically covered by other insurers, such as long term services and supports and non-emergency medical transportation.
Accomplishments

• Modernized the information management system (MMIS)
• Expanded from two to three managed care carriers in urban Washoe and Clark Counties
• Collaborated to implement the Certified Community Behavioral Health Clinic Demonstration Project to provide integrated behavioral health and primary care services.
• Implemented initiatives to ensure that recipients receive appropriate, effective, and medically necessary services

Base | Caseload Growth | Waitlist Reduction

Helping People. It’s who we are and what we do.
Summary of Major Enhancements

Ensuring access to care through rate increases
• Pediatric Intensive Care Unit (PICU) - 15% increase Neonatal Intensive Care Unit (NICU) – 25% increase Personal Care Services – 3% increase
• Supported Living Arrangements - 10% increase

Growing the continuum of care to provide integrated health services
• Certified Community Behavioral Health Clinics
• Supported Housing Services for the Homeless

Ensuring clients receive high quality, medically necessary services
• Electronic Visit Verification System
• Program Integrity Initiative
Funding Changes

Clark County Voluntary Contribution Align with new interlocal agreement for state fiscal years 2019-2021.

- Contribution is 12.5% above the state share (SMAP) and the state retains 12.5% of the FMAP reclaiming funds.

County Match Program Increased County Contribution

- Counties to contribute full non-federal share of expenditures for services for County Match Program recipients.

Federal Medical Assistance Percentage (FMAP) Adjustments

- CHIP enhancement elimination
- Tapering of match for the newly eligible
- Economic improvement impacts to standard FMAP
Intergovernmental Transfer Programs

The Intergovernmental transfer (IGT) Account was established to receive funds provided by governmental entities that become the nonfederal share supplemental payment programs to Medicaid providers.

Current programs that generate State Savings are:

• Disproportionate Share Hospital (DSH) Supplemental Payment
• Upper Payment Limit Supplemental Payments to Public Hospitals for Inpatient Services (UPL – Public IP)
• Upper Payment Limit Supplemental Payments to Public Hospitals for Outpatient Services (UPL – Public OP)
• Graduate Medical Education (GME) Supplemental Payments
• Enhanced Rate for Managed Care Organization Services provided by Safety Net Hospitals (MCO Enhanced Rate)

Total Projected State Savings: $67.7 million in SFY20, $61.1 million in SFY21
Skilled Nursing Facility Provider Fee

The 2003 Legislature instituted a provider fee on Free Standing Nursing Facilities (SNFs) to increase the quality of long term nursing care in Nevada. The fees collected are based on 6% of net patient revenues of SNFs. Once collected, the fees become the nonfederal share of a supplemental payment to Medicaid participating SNFs.

SFY20
• Projected Provider Tax - $41,072,053
• Projected Total Supplemental Payments - $115,893,780

SFY21
• Projected Provider Tax - $43,511,733
• Projected Total Supplemental Payments - $123,885,638
