

Draft: Pharmaceutical Representative Registration Procedures

For any individuals who meet the criteria below:

Pharmaceutical Sales Representative Registry	
Operate In Nevada?	Physically visit Nevada for 5 days or more annually in order to communicate with health care providers or participate in the listed activities below.
Included Activities	<ul style="list-style-type: none"> • Engage in the marketing of prescription drugs to doctors or other health care providers, pharmacists or pharmacy employees, and employees of medical facilities. Marketing includes providing educational presentations and/or details intended to inform prescribers about their products as a way to influence them to purchase or prescribe. • Meet with physicians or other healthcare providers to answer questions about product use and benefits or providing discussion and product information and resources to key decision makers while representing the manufacturer or supporting promotional efforts of the manufacturer. • Distribute FDA regulated product samples and product information.
Excluded Activities	<ul style="list-style-type: none"> • Attending a trade conference or convention hosted in Nevada that is not solely marketed to health care providers licensed in Nevada. • Activities related to clinical trials, investigational drugs, or Risk Evaluation and Mitigation Strategies. • Activities performed by wholesale distributors who do not represent a single manufacturer.

They must register with the Department of Health and Human Services (DHHS) by October 1st or within 30 days after hire. Note: they must be registered before engaging in work in Nevada.

In order to register, the employing manufacturer may send an email to drugtransparency@dhhs.nv.gov. DHHS staff will include the person's name on the registry.

When new staff are hired, or are terminated from the company, they must notify DHHS who can then add or remove the name from the current registry.

Manufacturers may submit the names in a single report as well as the required reporting of activities on behalf of the pharmaceutical representatives.
