***State Grants: Application and Resources***

Connie Lucido, Chief, Office of Grant Procurement,  
Coordination, and Management

Julia Peek, MHA, CPM, Deputy Administrator,  
Division of Public and Behavioral Health

November 2, 2017

# Overview

---

- Office of Grant Procurement, Coordination, and Management
  - Role and Resources
  - Training Opportunities
- DHHS Grants and opportunities for collaboration

## Office of Grant Procurement, Coordination, and Management

---

- NRS 232.222 -232.227 outlines the duties of the Office
- Duties include:
  - Research and identify federal grants;
  - Upon request, assist in writing grants with state agencies;
  - Provide grant management technical assistance and training; and
  - Enhance coordination with state and local agencies.

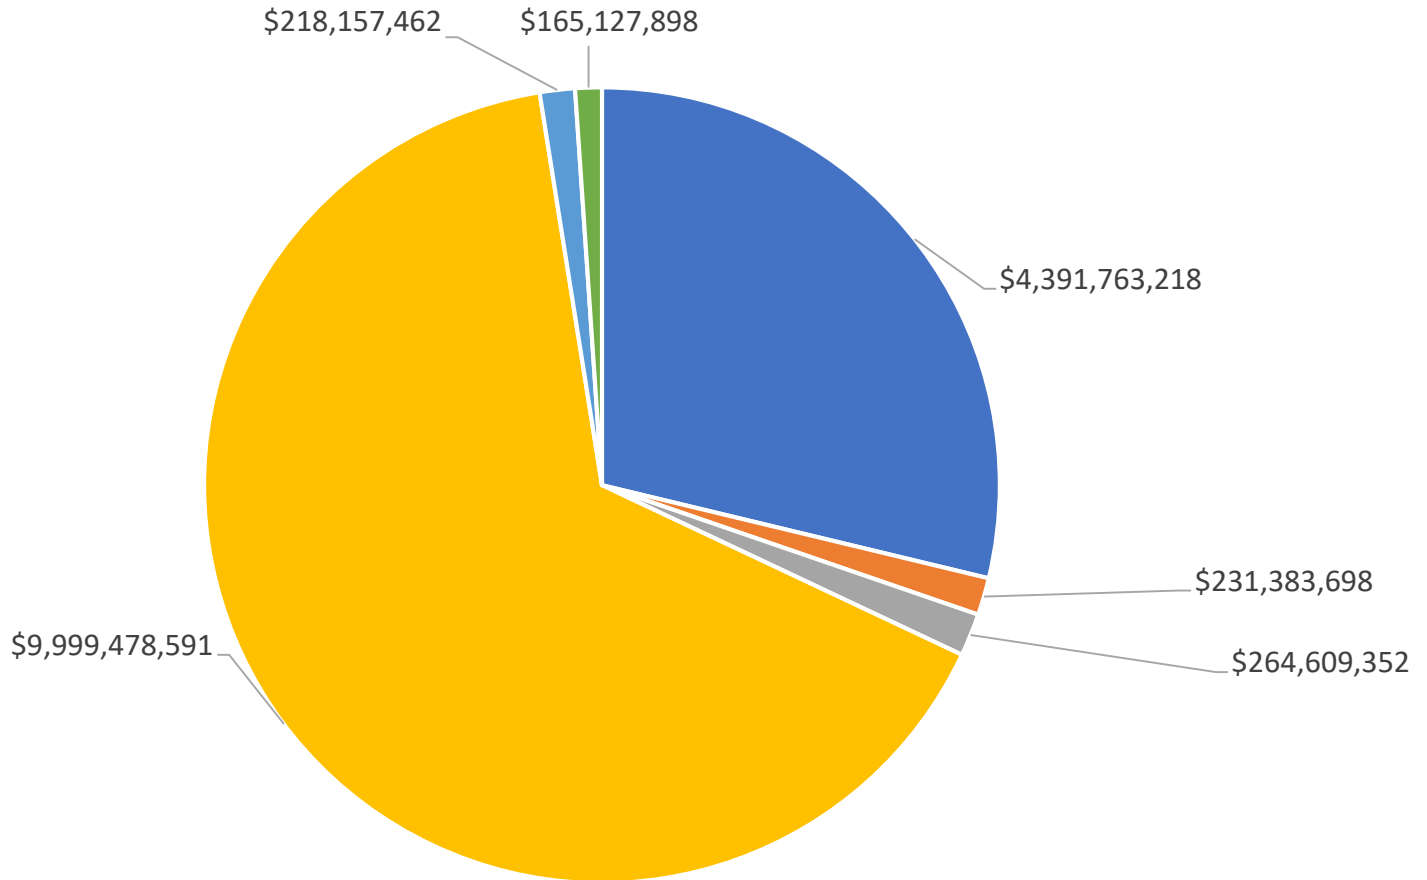

# Grants in Nevada

| TABLE 1: NEVADA FEDERAL FUNDING <sup>*billions</sup><br>(USAspending.gov) |                  |                  |
|---------------------------------------------------------------------------|------------------|------------------|
| FY14                                                                      | FY15             | FY16             |
| \$14,811,928,158                                                          | \$17,486,512,973 | \$17,674,831,515 |

| TABLE 2: NEVADA GRANT AWARDS <sup>*billions</sup><br>-BY TYPE of GRANT-<br>(USAspending.gov) |                 |                  |

# Type of Grants in Nevada by Function

---

| Type of Grant/Function                     | Per Capita | Rank |
|--------------------------------------------|------------|------|
| Overall                                    | \$1,386    | 50   |
| Employment/Training                        | \$14.33    | 10   |
| Justice                                    | \$5.60     | 8    |
| Agriculture                                | \$1.28     | 46   |
| Medicaid                                   | \$591      | 46   |
| Health                                     | \$639      | 47   |
| Education                                  | \$147      | 52   |
| Transportation                             | \$162      | 32   |
| Energy, Environment, and Natural Resources | \$17       | 32   |

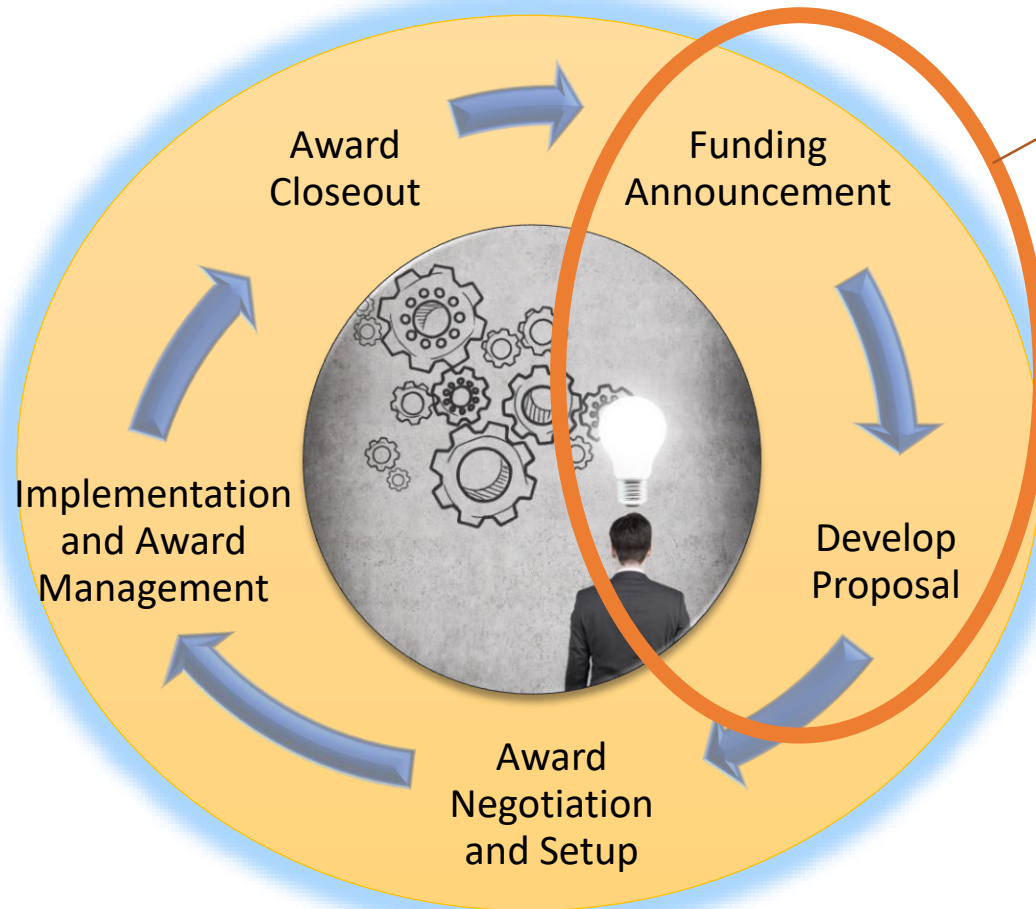

*Between 2009 and 2014, Nevada was one of several states that saw the largest growth in per capita federal grants. This growth is largely attributed to the decision to expand Medicaid eligibility under the ACA Expansion.*

Grant Resources

DATA RESOURCES

**Data Resources & Demographic Information**

The data resource links provides data and statistical information required on many grant applications. The organization is by subject heading, although any site may have additional information available. If there is not a data link with information you require for a grant, please contact the office and we will work with you to locate the necessary data for your grant submission.

**Nevada System of Higher Education Data Tool**

The Nevada System of Higher Education (NSHE) has a new tool to extract and analyze education and workforce development data.

- NSHE Data Link

**New! State of Nevada Health Needs Assessment - 2015**

The Nevada State Health Needs Assessment (NSHNA) was conducted using a systematic method of examining primary and secondary health data to illustrate health needs and challenges facing residents in each county and region of the State of Nevada. The Nevada Core Health Indicators were used as a guideline for completing community health assessments.

- 2015 Nevada Health Assessment - Nevada Core Indicators: Part I
- 2015 Nevada Health Assessment - County By County Summaries: Part II
- 2015 Nevada Health Assessment - LTSS: Part III (Coming Soon)

**Healthy Southern Nevada Data Link.**

*Healthy Southern Nevada* is a web-based source of community health information and population data provided by the Southern Nevada Health District and community partners. We invite planners, policy makers, the public and community members to use the site as a tool for community assessment, strategic planning, identifying best practices for improvement, collaboration and advocacy.

- Healthy Southern Nevada Link

**DEMOGRAPHIC INFORMATION:**

**Nevada Governor's Office of Economic Development Data Resources**

The Nevada Governor's Office of Economic Development (GOED) data portal provides useful data and links to get information about Nevada's economy and its consumers.

**Nevada Geographic & Demographic Data (Referred to as Appendix B)**

Contains an overview of information about Nevada's geography and population by County.

**National Center for Children in Poverty (National and State Profiles)**

The National Center for Children in Poverty (NCCP) is one of the nation's leading public policy centers dedicated to promoting the economic security, health, and well-being of America's low income families and children. The NCCP has national as well as a state profile data on demographics an/or early childhood. The profile can be for "all children" or "young children."

**Nevada Profile of Hunger, Poverty, and Federal Nutrition Program**

# Grant Office Application Assistance

The Nevada State Grant Office is committed to working with all agencies to identify funding and program opportunities that support the diverse needs of our population, including Nevada's non-profits.

| Grant Office Application Assistance        |              |              |
|--------------------------------------------|--------------|--------------|
|                                            | FY 15        | FY 16        |
| Number of Grants Coordinated with Agencies | 65           | 48           |
| Number of Grants Received                  | 31           | 25           |
| Percent                                    | 49%          | 52%          |
| Awarded Federal Grants                     | \$84,792,435 | \$46,818,556 |
| Grant Office Salary                        | \$311,592    | \$288,728    |
| ROR Measured against Salaries              | \$272        | \$162        |

To expand technical support capabilities, the Grant Office develops inter-agency teams for grant development (i.e., health and human services, education, workforce etc.) working collaboratively as teams of professional grant writers and technical staff, no one agency is left doing the entirety of coordinating a grant proposal for submission.

# Training and Development

The State Grants Office provides training for grant writing and grant management and is available for specific organization or individuals upon request.

# Grant Opportunities through DHHS

---

- State Purchasing Division
  - Various requests for proposals posted from all state agencies: <http://purchasing.nv.gov/solicitations/>
    - Can sort by agency
- DHHS Director's Office
  - Children's Trust Fund
  - Community Services Block Grant
  - Contingency Account for Victims of Human Trafficking
  - Fund for a Healthy Nevada
  - Program Gambling Fund
  - Title XX Social Services Block Grants

# Grant Opportunities through DPBH

---

- Competitive Opportunities
  - Posted through the Purchasing Division, listservs, or on DHHS or DPBH's website
    - Ex: Substance Abuse Prevention and Treatment Agency  
<http://dpbh.nv.gov/Programs/ClinicalSAPTA/dta/Grants/SAPTAGrants/>
  - Look at the needs based on the data. If you cannot find the data, please email your request to [data@dhhs.nv.gov](mailto:data@dhhs.nv.gov).
    - When there is a defined need and opportunity to intervene, we can come up with a targeted plan to seek out funds.

# Partnerships

---

- Reach out to the programs that might align with your needs so we can collaborate on future proposals
  - DPBH Program Guide:
    - <http://dpbh.nv.gov/uploadedFiles/dpbhnavgov/content/About/Nevada%20Division%20of%20Public%20and%20Behavioral%20Health%20-%20March%202016.pdf>
- Bona fide agent options

The Nevada State Grant Office provides a full range of grant support for state agencies to include: the identification of funding opportunities, grant writing and editing, review of grant materials, developing collaborations, coordinating grant activities with internal and external partners, obtaining and developing data matrices, budget assistance, grant project management as well as technical assistance with grants gov system or other grant management systems. The Grant Management team works to simplify the grant application processes by removing hurdles to receiving, managing and monitoring federal grant funds.

The Nevada Grant Office also develops, provides and coordinates grant-related training workshops and resources for state agencies; ensures Nevada has submitted mandated and accurate state and federal grant information; serves as the Single Point of Contact (SPOC) for Nevada grant applications; and works with agencies and sub-grantees to ensure compliance with federally mandated activities such as the Federal Funding Accountability and Transparency Act (FFATA) and the Digital Accountability and Transparency Act (DATA).
