

# Health Care Reform in Nevada

Julie Kotchevar, Deputy Director  
Nevada Department of Health and Human Services

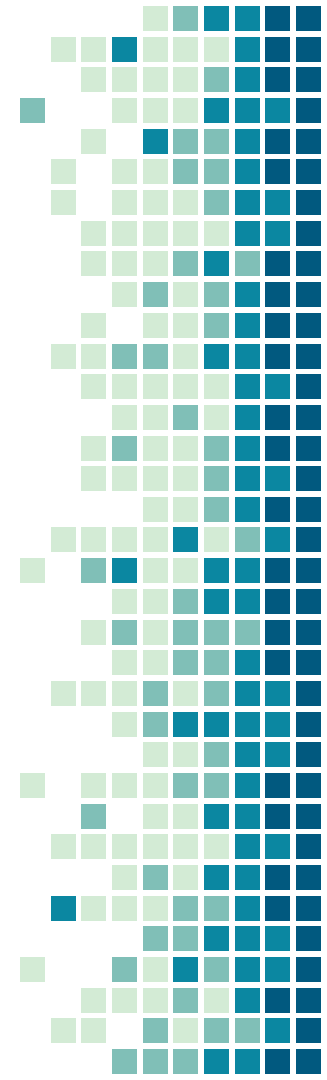

# National Reform Efforts

# Affordable Care Act Repeal Efforts

- AHCA (House Bill)
- BCRA (Senate Bill)
- “Skinny Repeal”
- Graham-Cassidy

ACA repeal vs Medicaid Reform

# Core Components

## AHCA

Repeal ACA mandates and taxes.

Per Capita Caps on Traditional Medicaid.

States could continue expansion at lower matching rate.

Repeal EHB and increase age rating.

## BCRA

Repeal ACA mandates and some taxes.

Per Capita Caps on Traditional Medicaid.

State stability grant to lower premiums.

Catastrophic plans and Waivers for State Innovation.

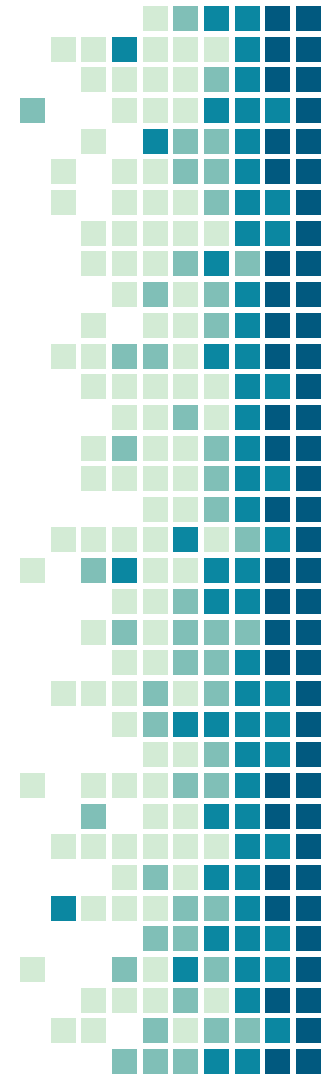

## Graham-Cassidy

Repeal ACA mandates, some taxes, Medicaid expansion, and Healthcare Exchange.

Per Capita Caps on Traditional Medicaid.

Market Based Health Care Grants.

Repeals Consumer Protections (no waiver).

650,000 Nevadans

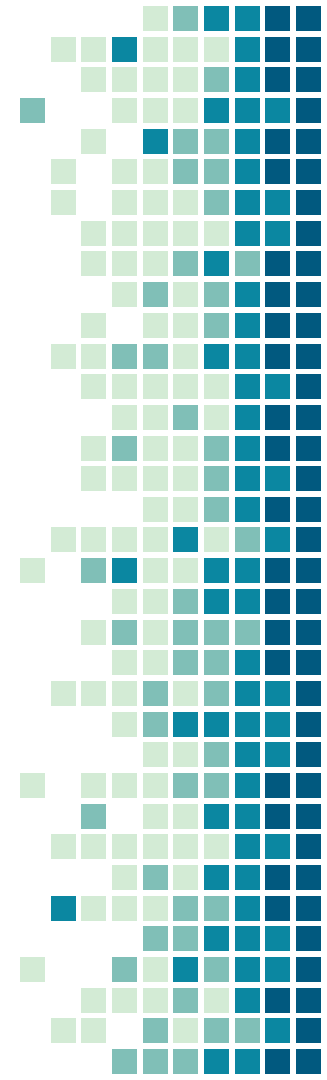

Medicaid

90,000 Nevadans

SilverState Exchange

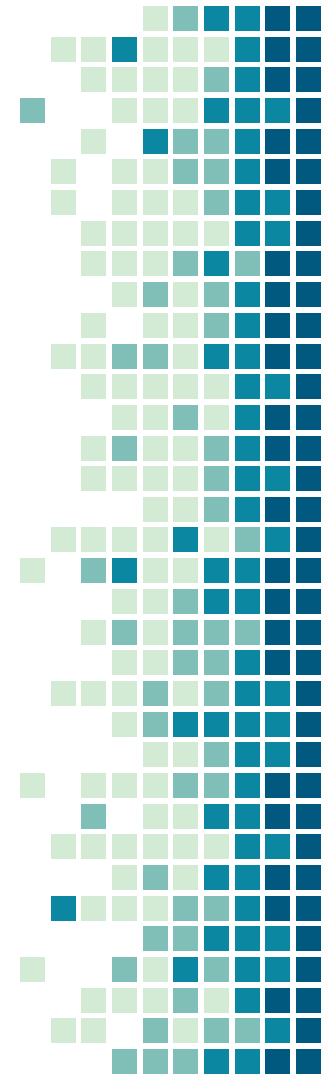

11.4%

Uninsured Rate down 9.3 points since 2013

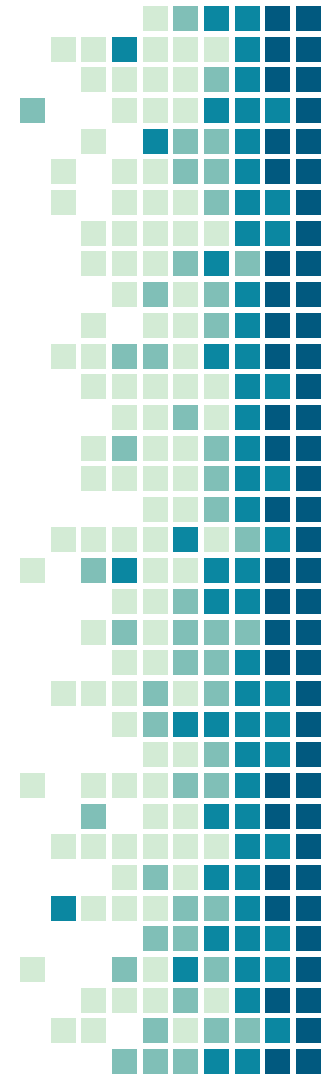

# Health Information is Vital

- Displaying and comparing data appropriately.
- Subtraction vs Addition.
- Rushed content and timelines.

# System Progress

- Introduced a new payer source.
- Integrated systems of care.
- Importance of partnerships and specialties.
- How do we grow resiliency?

“ Flexibility with reduced funding is a false choice. I will not pit seniors, children, families, the mentally ill, the critically ill, hospitals, care providers, or any other Nevadan against each other because of cuts to Nevada’s healthcare delivery system proposed by the Graham-Cassidy amendment.

*Governor Sandoval in a statement to the Nevada Independent.*

# THANKS!
