Subcommittee meetings are scheduled on an as-needed basis. Dates and times are determined by the availability of subcommittee members, staff, and meeting locations.

Nevada Open Meeting Law requires meeting announcements and agendas to be publicly posted at least three days prior to the meeting.

Announcements and agendas are posted in several public locations across the State, and are uploaded to the DHHS website, along with other meeting materials, at http://dhhs.nv.gov/Programs/Grants/Advisory_Committees/GMAC/GMAC/.

Meeting schedules are also posted on Nevada's Public Meeting Notice website at <https://notice.nv.gov/>.
