

# Appendix G

**Nevada Department of Health and Human Services  
Director's Office Grants Management Unit  
Facts about Funding Sources**

<b>Funding Source</b>	<b>Source and Purpose of Funding</b>	<b>Award Process</b>	<b>FY12 Budget Authority</b>	<b>GMAC Role</b>
Community Services Block Grant (CSBG)	Federal funds are used to reduce community poverty by providing direct services to low-income individuals and families, and by supporting collaborative strategies among key stakeholders in the communities.	Funded by federally approved formula to designated Community Action Agencies	\$3,567,491	Venue for hearing if grantee is subject of possible termination. Needs knowledge of programs and level of funding to avoid duplication and promote continuum of services.
Social Services Block Grant (SSBG/Title XX) for Non-State Agencies	Federal funds are used to prevent, reduce or eliminate dependency; achieve or maintain self-sufficiency; prevent neglect, abuse or exploitation of children and adults; prevent or reduce inappropriate institutional care; secure admission or referral to institutional care when other forms of care are not appropriate.	Competitive Request for Applications	\$1,201,506	Recommend funding priorities for competitive process. Review and score applications, and make funding recommendations to DHHS Director. Oversight of grantee progress toward goals and overall spending.
Social Services Block Grant (SSBG/Title XX) for State Agencies	Federal funds are used to prevent, reduce or eliminate dependency; achieve or maintain self-sufficiency; prevent neglect, abuse or exploitation of children and adults; prevent or reduce inappropriate institutional care; secure admission or referral to institutional care when other forms of care are not appropriate.	Legislatively Approved	\$13,046,872	None. These are legislatively approved pass-through grants to state agencies (e.g., DCFS, ADSD, MHDS, Health).

<b>Funding Source</b>	<b>Source and Purpose of Funding</b>	<b>Award Process</b>	<b>FY12 Budget Authority</b>	<b>GMAC Role</b>
Fund for a Healthy Nevada (FHN) – Children’s Health	Master Tobacco Settlement (MSA) funds are used to improve the health and well-being of Nevadans, including but not limited to, children's health.	Competitive Request for Applications	\$1,282,762	Recommend funding priorities for competitive process. Review and score applications, and make funding recommendations to DHHS Director. Oversight of grantee progress toward goals and overall spending.
Fund for a Healthy Nevada (FHN) - Disability Services	Master Tobacco Settlement (MSA) funds are used to support respite, Positive Behavior Support, and independent living services for persons with disabilities.	Competitive Request for Applications	\$1,238,596	Recommend funding priorities for competitive process. Review and score applications, and make funding recommendations to DHHS Director. Oversight of grantee progress toward goals and overall spending.
Children’s Trust Fund (CTF) – Community-Based Child Abuse Prevention (CBCAP)	Federal CBCAP funds and a \$3 fee for every birth and death certificate are used to support programs that prevent the abuse or neglect of children.	Competitive Request for Applications	\$787,891	Review and score competitive applications, and make funding recommendations to DHHS Director. Oversight of progress toward goals and overall spending.
Family Resource Centers (FRC) – State General Fund	State General Funds are used to support centers in at-risk communities where individuals and families may receive social services, be assessed for eligibility for services provided by other agencies, and be referred to other services as appropriate.	Funded by formula to designated Family Resource Centers	\$1,289,062	Review and approval of funding formula. Oversight of progress toward goals.

Funding Source	Source and Purpose of Funding	Award Process	FY12 Budget Authority	GMAC Role
Differential Response (DR) – State General Fund	State General Funds are used to provide an alternative response to Priority 3 child abuse and neglect reports. Instead of investigation by Child Protective Services, DR workers conduct family assessments, provide case management, and make referrals to support families in need before further problems can develop.	Funded by formula to designated Family Resource Centers	\$1,335,268	Activity data provided to GMU for informational purposes. The Differential Steering Committee oversees the program performance.
Revolving Account for the Prevention and Treatment of Problem Gambling	State slot tax fees are used to support programs for the prevention and treatment of problem gambling, data development, assessment of needs, performance evaluations and technical assistance.	Competitive Request for Applications	\$720,637	None – the Advisory Committee on Problem Gambling (ACPG) oversees this funding.
