

What Services are Needed in Your Community?

You are invited to share your ideas

Friday, April 20, 2018

9:00 am - 11:00 am

DETR / JobConnect (Board Room)

Old Town Mall, 4001 S Virginia Street

Park and enter in back. Board room is on the second floor.

The Fund for a Healthy Nevada supports:

- ◆ **Programs that help improve the health and well-being of Nevadans, and**
- ◆ **Services for persons with disabilities and their caregivers.**

The State of Nevada, Department of Health and Human Services, on behalf of its Grants Management Advisory Committee, is seeking input from Nevadans about their communities' most important needs. The input will be used to help decide how to use the available funds.

If you are unable to attend the community forum, you may fill out a survey. Take the survey online, or download a hard copy from the internet and return by mail. Hard copies will also be available at social service agencies in your area.

Visit: www.DHHS.NV.GOV/Grants for the survey

Survey closes Friday, April 27, 2018
