RE: Administrative Complaint 201205

Dear Ms. Bigley:

Enclosed please find a copy of the final report of findings based on the investigation of the Administrative Complaint filed by the Nevada Disability Advocacy and Law Center on October 9, 2011 regarding early intervention services for infants and toddlers under Part C of the Individuals with Disabilities Education Act (IDEA). The responsibility for investigating complaints relative to Part C eligible children and families is assigned to the IDEA Part C Office. The report includes details of the investigative process and the findings based on that process. Thank you for your patience as we have worked to compile and analyze the data and refine the final report to ensure we have addressed the issues identified in the complaint.

If you have further questions regarding the process or the report, please contact Brenda Bledsoe at (775) 687-4210.

Sincerely,

A handwritten signature in cursive script that reads "Carol A. Sala".
