Desert Willow Treatment Center - Residential Services

Desert Willow Treatment Center is a 20-bed licensed psychiatric hospital accredited by The Joint Commission that provides mental health treatment to youth throughout the state. The facility consists of one acute psychiatric unit (8 beds) and one residential treatment unit (12 beds) serving youth 12-17 years of age. These programs provide the most restrictive alternative for severely emotionally disturbed youth in the state. Many of the youth served present risks to themselves and/or their community and have not been successful in less restrictive settings.

NNAMHS Dini-Townsend Hospital

Dini-Townsend Hospital, on the campus of Northern Nevada Adult Mental Health Services, is located in Sparks, Nevada. The mission is to provide psychiatric treatment and rehabilitation services in the least restrictive setting to support personal recovery and enhance quality of life. The hospital primarily serves those individuals that have limited access to community resources. The hospital is licensed for 50 beds but is staffed for 30 beds. The hospital has a rapid stabilization unit of 10 beds and a unit of 20 beds for those individuals needing longer term care. Services also include a high emphasis on discharge planning in order to assist the consumer with returning to the community as quickly as possible and within a safe environment.
