_ _

Desert Willow has two residential units plus a specialized program for youths who are sexual offenders. These programs provide psychiatric care to the most severely emotionally disturbed youth representing the most restrictive service alternatives in the state. Many of the children served present risks to themselves and/or their community and have not been successful at lower levels of care. They require a secure treatment setting beyond acute care.

NNAMHS Dini-Townsend Hospital

Dini-Townsend Hospital, on the campus of Northern Nevada Adult Mental Health Services, is located in Sparks, Nevada. Our mission is to provide psychiatric treatment and rehabilitation services in the least restrictive setting to support personal recovery and enhance quality of life. The hospital primarily serves those individuals that have limited access to community resources. The hospital is licensed for 50 beds but is staffed for 30 beds. We have a rapid stabilization unit of 10 beds and a unit of 20 beds for those individuals needing longer term care. Our services also include a high emphasis on discharge planning in order to assist the consumer with returning to the community as quickly as possible and within a safe environment.

Adult Forensic Facilities - Long-Term Commitments

Lake's Crossing Center is a forensic behavioral health facility located in Sparks. The program provides treatment for severe mental illness and other disabling conditions that interfere with a person's ability to proceed with their adjudication or return to the community after having been found not guilty by reason of insanity/incompetent without probability of attaining competence. The facility has a bed capacity of 86. SNAMHS secure forensic units (Stein Hospital and C-Pod) provide competency evaluations to adults who are court committed. The bed capacity is 68.
