

All of Us | The
RESEARCH PROGRAM | Future of
Health Begins
With You

25

August

2:00 p.m. – 3:00 p.m.

Join an *All of Us* Virtual Event

Join us for a virtual, interactive presentation about the *All of Us* Research Program. We want to share the goal of *All of Us*, which is to speed up breakthroughs in health research. The virtual event features engaging activities to help you learn about the program.

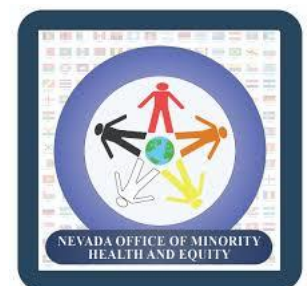

The *All of Us* Research Program is a research program from the National Institutes of Health. Health research is more important than ever. The more information researchers have, the faster they can discover new treatments and cures for diseases like COVID-19.

Register in advance for this meeting:
