Needs Assessment

- Every biennium, Nevada DHHS conducts a statewide needs assessment to inform future funding priority areas for consideration by the GMAC.
- Goal: To identify priority needs across Nevada, as well as within regions, communities, through an equity lens, with a focus on special and underserved populations to provide data to DHHS and GMAC as they identify funding investment decisions across a wide range of funding streams to meet the gaps and needs across the State.
- Upcoming completion – Spring 2022

Upcoming GMAC Meetings

- July 2022
- October 2022
- Funding recommendations in 2023
