NOTICE OF INTENT TO AWARD FOR FUND FOR A RESILIENT NEVADA

This communication serves as the official Notice of Intent to Award subgrant agreements for the Notice of Funding Opportunity (NOFO) for the Fund for a Resilient Nevada (FRN) released on October 16, 2023, and due on December 4, 2023.

This open and competitive procurement process ensures Nevada is compliant with the Code of Federal Regulations (2 CFR Chapter 200 and 45 CFR Chapter 75), *Nevada Revised Statutes* (NRS Chapter 333), and Nevada Administrative Code (NAC Chapter 333).

The Department of Health and Human Services (DHHS), Director's Office, received 13 applications for FRN Youth Programs. Based on the recommendations of the evaluation committee, the following providers were selected to move forward with funding. DHHS reserves the right to modify this list based on available funding and competitiveness of applications.

DHHS appreciates the applicants who submitted to serve Nevada's youth populations. In compliance with NRS and NAC, the applicants are identified below alphabetically and based on program target area, subject to available funding.

TARGET 1: ENHANCE SUPPORTS UTILIZING EVIDENCE-BASED PRACTICES

- Boys and Girls Clubs of Southern Nevada
- Lyon County Human Services

TARGET 3: DEVELOP AND IMPLEMENT COMMUNITY PREVENTION, TREATMENT PREVENTION AND/OR AWARENESS ACTIVITIES AROUND OPIOIDS, FENTANYL, EMERGING DRUGS, AND DRUGS OF INTEREST/PREVALENCE IN THE COMMUNITY

- NyE Communities Coalition

TARGET 4: PROVIDE OPIOID PREVENTION AND TREATMENT CONSISTENTLY ACROSS THE JUVENILE JUSTICE AND PUBLIC SAFETY SYSTEMS

- Quest Counseling & Consulting, Inc.

This Notice of Intent to Award does not constitute a contract, agreement, or obligation to fund. No authorizations or encumbrances shall be authorized until such time the fixed-amount *Notice of Subaward* is complete and signed by both the State and Provider. The agreement is subject to, and contingent upon, the successful negotiation of final terms of the subgrant, to include any conditions of award.

The provider must meet any conditions of award which may include, but are not limited to, approved scope of work and budget, a program or site audit, risk assessment, demonstrated ability to collect data in compliance with the opioid recoveries/litigation requirements, compliance with a robust Electronic Health Records (EHR) system for data reporting, and demonstrated ability or plan to submit monthly program and fiscal reports. The Notice of Intent does not oblige the state to fund at the level requested.

Applicants will be contacted directly to move into the agreement phase. Any applicant not identified for FRN funding herein, may be recommended for alternative funding.

The Director's Office reserves the right to utilize this NOFO for other state or federal subgrant funding that may become available for the abatement of the opioid epidemic, for a period not to exceed four (4) years, in compliance with both federal and state procurement limitations.
