I. FUNDING OPPORTUNITY INTRODUCTION

1. Background

The Nevada Department of Health and Human Service (DHHS) is responsible to administer the Funds for Healthy Nevada (FHN), to supplement and not supplant existing funding. The FHN is a source of state revenue which is funded through tobacco settlement monies received or recovered by the State of Nevada. The DHHS uses the FHN funds to support health and social services activities that align with legislatively defined priority areas to address gaps identified in various needs assessments across the State of Nevada to promote public health and improve health services for children, senior citizens, and persons with disabilities.

2. Purpose

This Notice of Funding Opportunity (NOFO) is published by the Director's Office, Grants Management Unit (GMU) and encompasses the following programs and activities:

A-1 Independent Living Services

To improve access to independent living services and supports. These services are provided to all persons with disabilities so that they may have full access to community life. Core independent living services include: a) information and referral; 2) skills training; 3) peer counseling; 4) individual advocacy; and 5) transportation.

A-2 Respite Services

To improve access and coordination for respite services and supports. These services promote person/family centered approach in care planning and caregiver support.

A-3 Positive Behavioral Intervention and Support Services (PBIS)

Increase the use of the evidence-based, three-tiered framework of PBIS to improve student outcomes, improve school safety, and promote positive behavior. Projects must identify the tier(s) being used, and/or identify the community partner(s) in instances that all three tiers are not used.

Tier 1: Establishes a foundation of regular proactive support while preventing unwanted behaviors.

Tier 2: Supports skill development for those who are at-risk to develop more serious problem behaviors before those behaviors start.

Tier 3: Delivery of intensive, individualized support to improve behavior – formal assessments are used to determine need.

All proposed projects must align with the following objectives:

- ❖ Provide cost effective services that are accessible, available, and responsive to the needs of individuals, families, and their communities;
- ❖ Foster a service delivery system responsive to the individual and cultural diversity of the people and communities we serve;
- ❖ Provide a comprehensive and integrated system of services to promote self-sufficiency; and
- ❖ Conduct a systematic evaluation of program activities to improve the effectiveness of the FHN funds.

Culturally competent care and services are a DHHS core value; all applicants are expected to gather and utilize knowledge, information, and data about individuals, families, communities, and groups and integrate that information into organizational practices, standards, skills, service approaches, techniques, and evidenced-based initiatives to best address each client's needs.

3. Eligible Entities

Eligible entities include public and private non-profit organizations located in Nevada. The GMU must be assured that partners have adequate systems in place to properly administer the grant both financially and programmatically. Not all applicants will be provided funding for all potential service areas. The GMU will work to bring recommendations for funding to the Grants Management Advisory Committee (GMAC) for consideration and recommendation to the DHHS Director. The recommendation will ensure geographic distribution of funds and activities statewide.

4. Program Income

Under Section 2 CFR §200.80, program income is defined as gross income earned by an organization that is directly generated by a supported activity or earned as result of the federal or state award during a specific period of performance. For programs receiving FHN funds, program income shall be added to funds committed to the project and used to further eligible project or program objectives. Program income must be identified by monthly progress reporting.

5. Licenses and Certifications

The applicant, employees, and agents must comply with all Federal, State and local statutes, regulations, codes, ordinances, certifications, and/or licensures applicable for defined mental health direct services for children/youth and/or adults. Prior to award issuance, if selected, DHHS reserves the right to request that agencies provide documentation of all licenses and certifications.

II. APPLICATION AND SUBMISSION INFORMATION

1. Technical Requirements

- A. Completed applications must be submitted via mail to the DHHS-DO-GMU no later than **Friday, January 15, 2021, by 3:00 PM (Pacific Standard Time)**.

Proposal(s) must be delivered via email in PDF format to: gmu@dhhs.nv.gov . If you do not receive an acknowledgement of application receipt within 48 business hours, please send an email with **Notification Status** in the subject line.

The DHHS is not responsible for issues or delays in mail or e-mail service. Any applications received after the deadline will be disqualified from review. Therefore, the DHHS encourages organizations to submit their applications well before the deadline. No acknowledgements will be made for any submittal that arrives after the deadline has passed.

- B. A complete application will require all items listed in the Application Checklist.

C. Formatting: Applicants are required to use **12-point Times New Roman or Arial Font, with 1.0" margins, double-spaced (unless specifically referenced as single spaced) and convert all items into one PDF document format. Submissions must abide by the maximum page limitations and exceeding identified limits may be cause for disqualification from review.**

D. Do not submit unsolicited materials as part of your application. Any unsolicited materials mailed, delivered, or e-mailed to DHHS will **not** be accepted. This includes support letters, cover pages, cover letters, brochures, newspaper clippings, photographs, media materials, etc.

E. Complete the Application Checklist prior to submitting. The Application Checklist is for the benefit of the applicants and **is not** required to be included in submission packet.

Once the application is submitted, no corrections or adjustments may be made. DHHS will consider corrections or adjustments prior to the issuance of a subgrant, should both the DHHS and the applicant agree on such changes or adjustments.

2. Proposal Submission Requirements

Proposals wishing to be furthered to the evaluation phase must submit a complete application. Applications are considered complete when they include signatures, signed assurances, and the following:

- a. Abstract
- b. Project Narrative
- c. Project Application
- d. Scope of Work
- e. Budget Narrative
- f. Project Manager Resume

A description, and requirements, of each application component can be found below:

A. Project Abstract (5 points possible)

A one-page abstract (not to exceed 1-page) should serve as a succinct description of the proposed project and must include the target area, services provided, project partners, the total budget, and a description of how the funds will be used. The abstract is often distributed to provide information to the public and the legislature. Write a clear, accurate, and concise abstract without reference to other parts of the application. Personal identifying information should be excluded from the abstract. Abstract must be single spaced, and not exceed 500 words.

B. Project Application Form (10 points possible)

All applicants must complete the Project Application Form (included in this NOFO). Each letter corresponds to a field in the application that all applicants must complete. Missing information or unchecked boxes on the application form will result in an incomplete application. *Not to exceed five (5) pages.*

- A. Organization Type.** Check the type of organization that is requesting funds.
- B. Geographic Area of Service.** Check only one type of geographic area and provide a brief description of that area (up to 100 words).
- C. Applicant Organization.** Enter the official name of the agency submitting the application. The address refers to the physical and mailing address of the applicant agency (the 9-digit zip code is required). DHHS will consider the application incomplete if the Federal Tax ID field or DUNS/EI field is incomplete.
- D. Project Point of Contact (POC).** This field refers to the identified person at the applicant organization that DHHS will contact for follow-up questions about the application. This is also the person DHHS will contact for questions about quarterly reports, monthly financial claim forms, etc.
- E. Fiscal Officer.** Enter the name of the person who will manage the fiscal requirements of the proposed project, if awarded. The Fiscal Officer must be someone other than the Project Point of Contact.
- F. Key Personnel.** Key personnel are employees, consultants, subcontractors, or volunteers who have the required qualifications and professional licenses to provide identified services. List all such personnel in the provided table, adding additional rows as necessary. Include an up-to-date résumé and a copy of all required licenses for each person as an addendum to the application.
- G. Program Experience.** Organizations are required to select one option that most closely describes the program activities being proposed in the application.
- H. Third-Party Payers.** Some organizations bill third-party payers (e.g. insurance companies) for services. If the applicant does not bill any third-party payers, check the **No** box, and continue to field I. Otherwise, confirm by checking the **Yes** box and for each third-party payer organization provide the specified financial information for the applicant's most recent, complete reporting period. Add rows to the table, if necessary.
- I. Current Funding.** Some organizations receive funding (e.g. Federal grant dollars, foundation grants, donations, etc.) for similar services. If the applicant does not receive funding from another source for proposed services, check the **No** box, and continue to field J. Otherwise, confirm by checking the **Yes** box and for each funding source, provide

the name, type of funding, project period end date, and whole dollar amount. Add rows to the table, if necessary.

- J. Certification by Authorized Official:** The administrator, director, or other official ultimately responsible for this project/program must sign this document.

C. Project Narrative

The applicant must provide a Project Narrative that articulates in detail the content requirements provided below and the specific criteria described Section I and II. Please include the title “Project Narrative” at the beginning of the Project Narrative. The narrative must not exceed a total of **ten pages** double-spaced. **Page numbers, headings and subheadings are required.**

Ensure that the project narrative includes ‘subheadings’ for each of the sections below. Do not reference the evaluator to read another section, as no points will be awarded in this instance. Complete each section providing detailed information for the items being requested in that section. The Project Narrative must include the following information under each subheading:

1. The Organization Description (5 points possible)

The Organization Description should include a brief history of your organization demonstrating not less than two (2) years of operation, its structure, information about major accomplishments of the organization, relevant experience, and an explanation of how the description you provide makes your organization an appropriate grantee.

2. Project Design and Implementation (20 points possible)

The Project Design and Implementation must provide a detailed description of the program to be funded. This section must include the goal(s) of the projects as well as the objectives and activities that will be completed to achieve the goal(s). Explain how the project will address the needs of the target population, and the expected number of individuals expected to be assisted should your proposal be funded.

3. Community Organizations and Partnerships (15 points possible)

The Community Organizations and Partnerships must provide detailed descriptions of the community organizations currently providing similar services in the geographic service area your proposal depicts. Provide details describing existing partnerships and coordination to reduce duplication of service. Describe formal collaborations and/or existing Memorandums of Understanding with established partners and relationships that will be important to carrying out the activities proposed.

4. Capabilities and Competencies (15 points possible)

Describe the capabilities of the applicant, the subrecipients, and/or contractors to successfully implement the project. Describe the roles, experiences, and tenure of key employees who will be running the day-to-day operations of the project. Describe organization’s background, qualifications, and experiences with the implementation of projects similar in scope and complexity to the proposed project. Provide at least three (3) examples of the applicant’s success.

5. Plan for Collecting the Data (10 points possible)

Describe the process for collecting data and measuring project performance. Identify who will collect the data, who is responsible for performance measurement, and how the information will be used to guide and evaluate the project’s impact.

D. Scope of Work (15 points possible)

Submit the below form to provide a description of the services proposed that includes goals, implementation timeline with key dates, activities, and deliverables (**maximum of five pages**) **Single Spaced**. This section should be written in complete sentences.

Goal 1: Describe the primary goal the program wishes to accomplish with this subaward.

Objective	Activities Strategies	Due Date	Documentation Needed
1.	1.	XX/XX/XX	1.
2. Add more lines if necessary	2.	XX/XX/XX	2.

Goal 2: Describe the most important secondary goal the program wishes to accomplish with this subaward.

Objective	Activities Strategies	Due Date	Documentation Needed
1.	1.	XX/XX/XX	1.
*Note to preparer: Add lines to the table as applicable to accomplish all the goals. Line up activities, due dates, and documentation as best as possible.			

*** For each goal/objective, include implementation activities, and due dates. There may be more than one Activity and Due Date per objective.**

E. Budget (5 points possible)

Provide a budget that is complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for program activities). **All proposals must include a detailed project budget for each of the project periods.** The budget should be an accurate representation of the funds necessary to carry out the proposed *Scope of Work* and achieve the projected outcomes over the grant period. If the project is not fully funded, the DHHS will work with the applicant to modify the budget, the Scope of Work and the projected outcomes.

Applicants **must** use the Budget Template form (Excel spreadsheet) provided for this NOFO. Use the budget definitions provided in the “Categorized Budgets” section below to complete the narrative budget (spreadsheet tab labeled Budget Narrative 1). This spreadsheet contains formulas to automatically calculate totals and links to the budget summary spreadsheet (tab labeled Budget Summary) to automatically complete budget totals in Column B. **Do not override formulas.**

The column for extensions (unit cost, quantity, total) on the budget narrative should include only funds requested in this application. Budget items funded through other sources may be included in the budget narrative description, but not in the extension column. **Ensure that all figures add up correctly and that totals match within and between all forms and sections.**

Budget Funding Limitations: Budget proposals that provide direct services should have a minimum of 80% of the budget for direct services; with not more than 10% for administration and 10% for data collection and reporting.

- 1. Personnel:** Employees who provide direct services are provided here. The Personnel section is for staff that are responsible, who work as part of the applicant organization, for whom the applicant organization provides a furnished work-space, tools, and the organization determines the means and the method of service delivery. Contractors include those staff who provide products or services independently and provide their own workspace, tools, means, and methods for completion and are listed in the Contractor category.

For example:

Intake Specialist \$20/hour X 40 hours/week X 52 weeks	= \$ 41,600
Fringe = \$41,600 X 15% (e.g. health insurance, FICA, workmen's comp)	= \$ 6,240
Personnel Total	= \$ 47,840

Only those staff whose time can be traced directly back to the grant project should be included in this budget category. This includes those who spend only part of their time on grant activities. All others should be considered part of the applicant's indirect costs (*explained later*).

- 2. Travel:**

Travel costs must provide direct benefit to this project. Identify staff that will travel, the purpose, frequency, and projected costs. U.S. General Services Administration (GSA) rates for per diem and lodging, and the state rate for mileage (currently 57.5 cents), should be used **unless** the organization's policies specify lower rates for these expenses. Local travel (i.e., within the program's service area) should be listed separately from out-of-area travel. Out-of-state travel and nonstandard fares/rates require special justification. GSA rates can be found online at <https://www.gsa.gov/portal/category/26429>. In the current COVID-19 environment, travel expenditures should be minimal.

- 3. Operating:**

List and justify tangible and expendable property necessary to carry-out the proposed program.

- 4. Equipment:**

Equipment is defined as tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-federal entity for financial statement purposes, or \$5,000.

- 5. Contractual/Consultant Services:**

Project workers who are not employees of the applicant organization should be identified here. Any costs associated with these workers, such as travel or per diem, should also be identified here. Explain the need and/or purpose for the contractual/consultant service. Identify and justify these costs. For collaborative projects involving multiple sites and partners, separate from the applicant organization, all costs incurred by the separate partners should be included in this category, with subcategories for Personnel, Fringe, Contract, etc. Written agreements or contracts must be maintained with each partner, and the applicant is responsible for administering these agreements in accordance with all requirements identified for grants administered under the DHHS.

6. Other Expenses:

Identify and justify these expenditures, which can include virtually any relevant expenditure associated with the project, such as client transportation, conference registrations, stipends, scholarships, etc.

7. Indirect Costs:

Indirect costs represent the expenses of doing business that are not readily identified with or allocable to a specific grant, contract, project function, or activity, but are necessary for the general operation of the organization and the conduct of activities it performs. Indirect costs include, but are not limited to: depreciation and use allowances, facility operation and maintenance, memberships, and general administrative expenses such as management/administration staff, human resources, accounting, payroll, legal, and data processing expenses that cannot be traced directly back to the grant project. Identify these costs in the narrative section, but do not enter any dollar values. If agencies have a federally approved indirect cost rate, that rate must be used. All other agencies may use the Modified Total Direct Cost Base and Exclusions, currently at 10%.

F. Resume of Key Program Staff Member:

Provide the resume of the key staff member with the licensure or expertise in providing evidence-based services. This resume should not be more than two (2) pages long and should represent experience related to the proposed project. The DHHS receives the right to request additional resumes based on the proposed project (and also included in the Project Information Form).

III. SELECTION PROCESS

DHHS has selected to use the competitive Notice of Funding Opportunity (NOFO) process.

- The application must request funding within programmatic funding constraints.
- The application must be responsive to the scope of the solicitation and the evaluator tool.
- The application must include all items designated as basic minimum requirements.

1. NOFO Review Process

Proposals received by the deadline will be reviewed as follows:

A. Technical Review

DHHS/DHHS staff will perform a technical review of each proposal to ensure that minimum standards are met. Proposals may be disqualified if they:

- Are missing fundamental elements (i.e. abstract, application, narrative, scope of work, or budget);
- Do not meet the intent of the NOFO; or
- Are submitted by an entity that is financially unstable as evidenced by information gleaned from the submitted fiscal documents.

Application Requirements

<i>Field Name</i>	<i>Scoring Points or TR*</i>	<i>Page Limit</i>	
A. Abstract	5	1	Single spaced, 500 words, Arial or Times New Roman 12 Point Font
B. Project Application	10	5	Must use attached form
C. Narrative	50	10	Double-spaced, page numbered with headings and subheadings, defined in section II.2.C of NOFO. Arial or Times New Roman 12 Point Font (Tables may be single spaced)

B. Evaluation

Applications that meet minimum standards will be forwarded to a review team selected by the DHHS. Reviewers will score each application, using the Evaluator Tool. In accordance with prevailing grant evaluation procedures, discussion between applicants and reviewers will not be allowed during the scoring process. Proposals must stand on their own merit.

Technical Review (must pass to be sent on for Evaluator Review)

Instructions: For each listed technical requirement, select Y or N in the light orange cell to indicate if the application number below meet each technical requirement.

Evaluator Review / Scoring

Evaluators will be asked to score each section of the proposal and application, points will be assigned using the following rubric:

Excellent responses will receive 100% of available points

Strong responses will receive 80% of available points

Average responses will receive 60% of available points

Basic responses will receive 40% of available points

Weak responses will receive 20% of available points

The following is an example of the tool evaluators will be using, and what they will be looking for to score proposal sections:

Section : Application & Abstract		applicant (application number below) answer			
Abstract		1	2	3	4
1	<i>Applicant must have submitted an abstract that is under 500 words that must include: 1) succinct program description; 2) target area; 3) service description; 4) project partners; and 5) budget total & use</i>				
Application					
2	<i>To what extent does the applicant agency identify the previous level of experience with grant funding and processes? An applicant must have at least two years of previous grant funding.</i>				
3	<i>To be considered excellent, candidate must demonstrate less than 50% dependence on the Fund for a Healthy Nevada, with clear and complete plan for replacing funds after end of performance period.</i>				
0					
Section : Application & Abstract Score					

Section : Narrative		applicant (application number below) ans			
Organization Description		1	2	3	4
4	Applicant must include all elements: 1) brief history of the organization; 2) two years of experience; 3) describes releant experience and major accomplishments; 4) qualifications to be selected as a subrecipient				
Project Design & Implementation					
5	How well does the applicant describe the description of their program and how it meets the NOFO requirements, includes the target population and geographic area served, and how the proposed servcies meet the need?				
6	How well does the applicant tie project deliverables to objectives to include 1) how many individuals will be targeted; 2) the target population or subpopulation; 3) service areas; 4) how they will meet the deliverables; 5) capacity of organization (i.e. number of staff/clients, etc.)				
Community Organizations and Partnerships					
7	Must demonstrate community coordination. For a score of excellent, partnership must include 2 or more community partners providing referrals or services related to the population being served and benefit the project.				
8	Applicant must accurately describe similar services being provided in program delivery area. How well does applicant describe servcies as absent (or minimal) in proposed area.				
Capabilities and Competencies					
9	How well does the application describe the capabilities of the applicant, subrecipients, and/or contractors to implement the project. For a score of excellent, applicant should describe roles, experiences, and tenure of key employees.				
10	How well does the application describe the three (3) examples of success. For an excellent score this description must be complete, describing circumstance and level of success				
Plan for Collecting Data					
11	How well does the applicant describe the process for collecting data? For a score of excellent, applicant should describe who is collecting the data, the system to collect data, whether or not the agency has a electronic health record system, and how that data will be used?				
12	How well does the applicant describe the project performance measures; who will be responsible for project performance; and how that information will be used to evaluate the project impact. Note: Data Collection is not project measurement.				
Scope of Work					
13	The Scope of Work must identify a goal that is consistent with the narrative; identify the objective with states how the goal will be accomplished; identifies at least one if not more specific activities to achieve that goal; the timeframe to submit; and the documentation required to provide that detail. Data collection activities are not goals or objectives, but could be included in strategies. The documentation is specific to what is going to be provided to prove that the metric was met (i.e. provide services for 20 women, the documentation would need to provide unduplicated number of women, demographics, services provided)				
Section : Narrative Score					

Section : Budget		applicant (application number below) answer			
Budget Narrative		1	2	3	4
14	How well does the proposed budget support the proposed goals and objectives?				
15	How thorough and reasonable is the proposed budget (i.e., balance of categorical spending, reasonable expenditures, etc.)?				
16	Given the project period, rate your confidence in the applicant's ability to provide the projected number of services with the budget amounts requested.

C. Funding Recommendations

Project proposals with the highest ranking shall be considered for funding, however, this will not be the only method for selection. Recommendations will also consider underserved population areas and shall be reviewed under each program defined in Section 1.2. DHHS will provide funding recommendation to the Grants Management Advisory Committee (GMAC), and include a proposed funding geographic map for each program and a brief project description.

D. Final Review – Director

After GMAC review and recommendation, the DHHS will submit funding recommendations to the DHHS Director, who will make the final funding decisions. Final decisions will be made by the DHHS Director based on the following factors:

- a. Scores on the scoring matrix;
- b. Geographic distribution to ensure statewide service and activities;
- c. Conflicts or redundancy with other federal, state or locally funded programs, or supplanting (substitution) of existing funding; and
- d. Availability of funding.

2. Notification Process

Applicants will be notified of their status with email April 2021. DHHS staff will conduct negotiations with the applicants regarding the recommendation for funding to address any specific issues identified by the evaluators or Grants Management Advisory Committee (GMAC). These issues may include, but are not limited to:

- Revisions to the project budget;
- Revisions to the Scope of Work and/or Performance Indicators; and/or
- Enactment of Special Conditions (e.g., certain fiscal controls, more stringent performance requirements or more frequent reviews, etc.).

Not all applicants who are contacted for final negotiations will necessarily receive an award. All related issues must be resolved before a grant will be awarded. **All funding is contingent**

upon availability of funds. Upon successful conclusion of negotiations, DHHS staff will complete a written subgrant agreement in the form of a Notice of Subaward (NOSA). The NOSA and any supporting documents will be distributed to the subrecipient upon approval of the Subaward.

3. Disclaimer

DHHS reserves the right to accept or reject any or all applications. This NOFO does not obligate the State to award a contract or complete the project, and the State reserves the right to cancel solicitation if it is in its best interest.

4. Upon Approval of Award

A. Monthly Financial Status and Request for Reimbursement Reports

DHHS requires the use of a standardized Excel spreadsheet reimbursement request form that self-populates certain financial information. This form must be used for all reimbursement requests. Monthly reports are required even if no reimbursement is requested for a month. Instructions and technical assistance will be provided upon award of funds. The monthly reports will be due by the 15th of the following month.

B. Performance Reporting

Applicants who receive an award must collaborate with the DHHS in reporting quarterly on progress in meeting goals. Additional performance reports may be requested as instructed by the DHHS. Quarterly progress reports will be due by the 15th of the month following the end of the reporting quarter.

C. Subrecipient Monitoring

Successful applicants must participate in subrecipient monitoring. Subrecipient monitoring is intended to provide ongoing technical support to subrecipients and gather information reportable by DHHS to the state oversight entities. To facilitate the review process, materials referred to in the review documents should be gathered prior to the review. The subrecipient's primary contact person and appropriate staff should make themselves available to answer questions and assist the reviewer(s) throughout the process. The subrecipient monitoring reports or action items will be sent to the subrecipient within 30 working days following the conclusion of the monitoring.

D. Compliance with changes to Federal and State Laws

As federal and state laws change and affect either the DHHS process or the requirements of recipients, successful applicants will be required to respond to and adhere to all new regulations and requirements.

E. Applicant Risk

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, DHHS also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant that has one or more prior federal awards and has a satisfactory record with respect to performance, integrity, and business ethics, DHHS checks whether the applicant is listed as excluded from receiving a federal award. In addition, if DHHS anticipates that an award will exceed \$250,000 in federal funds, DHHS also must review and consider any information about the applicant that appears in the nonpublic segment of the integrity and performance system accessible through the Federal Awardee Performance and Integrity Information System, (FAPIIS).

6. GSA - General Services Administration for guidelines for travel
7. Grant Instructions and Requirements
8. State Licensure and certification
 - a. The subrecipient is required to be in compliance with all State licensure and/or certification requirements.
9. The subrecipient's commercial, general or professional liability insurance shall be on an occurrence basis and shall be at least as broad as ISO 1996 form CG 00 01 (or a substitute form providing equivalent coverage); and shall cover liability arising from premises, operations, independent subgrantees, completed operations, personal injury, products, civil lawsuits, Title VII actions, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).
10. To the fullest extent permitted by law, subrecipient shall indemnify, hold harmless and defend, not excluding the State's right to participate, the State from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of subrecipient, its officers, employees, and agents.
11. The subrecipient shall provide proof of workers' compensation insurance as required by Chapters 616A through 616D inclusive Nevada Revised Statutes at the time of their certification.
12. The subrecipient agrees to be a "tobacco, alcohol, and other drug free" environment in which the use of tobacco products, alcohol, and illegal drugs will not be allowed;
13. The subrecipient will report within 24 hours the occurrence of an incident, following DHHS policy, which may cause imminent danger to the health or safety of the clients, participants, staff of the program, or a visitor to the program, per NAC 458.153 3(e).
14. If the subrecipient is serving minors, background checks must be completed every 3 years on all staff, volunteers, and consultants occupying clinical and supportive roles.
15. Application to Nevada 211. As of October 1, 2017, the subrecipient will be required to submit an application to register with the Nevada 211 system.
16. The subrecipient agrees to fully cooperate with all DHHS sponsored studies including, but not limited to, utilization management reviews, program compliance monitoring, reporting requirements, complaint investigations, and evaluation studies.
17. The subrecipient must be enrolled in System Award Management (SAM) as required by the Federal Funding Accountability and Transparency Act.
18. The subrecipient acknowledges that to better address the needs of Nevada, funds identified in this subgrant may be reallocated if ANY terms of the sub-grant are not met, including failure to meet the scope of work. The DHHS may reallocate funds to other programs to ensure that gaps in service are addressed.

19. The subrecipient acknowledges that if the scope of work is not being met, the subrecipient will be provided an opportunity to develop an action plan on how the scope of work will be met and technical assistance will be provided by DHHS staff or specified sub-contractor. The subrecipient will have 60 days to improve the scope of work and carry out the approved action plan. If performance has not improved, the DHHS will provide a written notice identifying the reduction of funds and the necessary steps.
