

FAMILY RESOURCE CENTERS

S o u t h e r n N e v a d a

Family Resource Centers (FRCs) are located throughout the State of Nevada and provide case management, information, and referrals for individuals and families in need of assistance in accessing services and programs that will strengthen and support the family. Family Resource Centers collaborate with other agencies, schools, faith-based organizations, and government agencies to assist families to obtain needed services. FRCs emphasize community-based, collaborative services that are culturally competent, accessible and flexible.
