Worker response to “Were you offered health care benefits?”

- Yes: 63.12%
- No: 36.88%

Worker response to “Were you offered retirement benefits?”

- Yes: 79.86%
- No: 20.14%
Select any work expenses you (the worker) paid in calendar year 2021

- CPR and/or First-Aid certification: 154
- Tuberculosis testing/vaccination: 112
- Background check: 96
- Training: 89
- Other: 38
“Other” expenses listed:

- Physical
- PPE and other supplies/equipment
- Travel
- Fingerprinting
- Gas
- Training
- Uniforms
- None
- Was reimbursed
Worker Responses:

- Of workers who care for more than 1 client:
  - 11% receive mileage reimbursement
  - 75% do not know their agency’s mileage reimbursement policy and how to submit for payment.

- Did you receive a W-2 tax form from an agency for calendar year 2021?
  - 89% yes

- Do you ever work more than 40 hours a week and not receive paid overtime?
  - 23% yes

- Have you ever not been paid for work performed due to problems with the EVV system?
  - 26% yes

- Does your agency go over the service plan for your client with you?
  - 81% yes
Employer Responses

• Number of personal care workers hired during calendar year 2021.
  • Average 47
  • Minimum 2
  • Maximum 466

• Number of personal care workers who left your employment during calendar year 2021.
  • Average 35 (74% turnover rate)
  • Minimum 3
  • Maximum 266

• How many personal care W-2 employees do you have?
  • Average 63
  • Minimum 0
  • Maximum 475

• How many personal care independent contractors do you have?
  • Average 4
  • Minimum 0
  • Maximum 23

• Average gross profit margin: 22%
  • *Please note that this question had a low response rate of 47 employers.
Recruitment and Retention
Have employers lost personal care workers to higher paying jobs that require fewer skills (e.g., fast food restaurants, delivery services, retail)?

- Yes: 88.89%
- No: 11.11%
Employer comments on losing workers to higher paying/lower skill jobs (number of mentions)

- Rates are too low or unable to pay high enough wages due to rates – 17
- Other jobs pay more – 14
- Rising cost of living – 8
- Other jobs require less training/stress/work – 7
- Other jobs have more/better benefits – 3
- Workers quit before finishing State credential process – 3
- Rising cost of business – 2
- Other jobs offer more hours – 1
- Authenticare is inconvenient – 1
- Higher pay on unemployment – 1
- Other jobs do not require use of own car and gas – 1
- Overall U.S. labor shortage – 1
Employer response to “List any recruitment practices you employ”

• Websites (Indeed, Job Connect, One Stop Career Center, Craigslist)

• Social media

• Radio

• Word of mouth

• Contracting services

• Partnerships with schools/colleges/CNA programs

• Physical postings at stores/businesses

• Sign on bonus

• Paid onboarding costs (TB test, drug test, training, physical, etc.)

• Offer benefits

• Job fairs
Employer response to “List any retention practices you employ”

- Training
- Ongoing support
- Benefits (PTO, retirement)
- Guaranteed schedules
- Incentive programs
- Pay increases
- Bonuses
- Paid training
- Paid travel time
- 24/7 availability to caregivers
- Employee awards and appreciation
Training and Training Requirements
Worker Responses:

- Have you ever been assigned clients to care for and you felt weren’t appropriately trained for the client’s needs?
  - 18% yes

- Are there areas where you feel you need additional training?
  - 17% yes

- List areas of additional training:
  - 10% First aid
  - 5% CPR
  - 21% Alzheimer’s/dementia
  - 15% Disease control
  - 18% Dietary
  - 13% Basic care (transfers, cooking, cleaning, etc.)
  - 14% Other
Worker Responses:

- “Other” trainings listed
  - Disaster planning
  - Psychology
  - How to help client deal with Medicaid/Medicare documents
  - Vitals
  - Charting temperature
  - Hoyer’s lift
  - Mental health
  - Deal with client’s family members
  - Any extra training
Background Checks – Employer Responses

• Have you had to terminate personal care workers for failing a background check for an offense you felt should not have excluded the individual from being hired as a caregiver?
  • 48% yes

• Additional comments:
  • Old offense
  • Petty crime
  • Undetermined background
  • Overwhelmingly minorities dismissed due to failed background check
  • Issues not related to service
  • Single/non-repeated offense
