

Nevada ICC Subcommittee Information

Vision of Nevada ICC

We envision a Nevada where each child, birth to three with disabilities and/or developmental delays and their families, have equitable access to supportive and inclusive communities and reach their full potential through a collaborative early intervention system.

Mission of Nevada ICC

Our mission as the ICC is to assist and advise on behalf of children from birth to three with disabilities and/or developmental delays and their families in Nevada. We are committed to amplifying family voices, empowering a skilled and diverse workforce, and leading the development of an inclusive, high-quality early intervention system. We focus on promoting equitable practices, supporting seamless transitions, and holding the system accountable.

Statutory Requirements

1. ICC will advise and assist on the development and implementation of NEIS policies, including ... helping to identify systemic strengths and issues of concern.
2. ICC will assist DHHS in achieving full participation, coordination, and cooperation among public agencies and resolving system disputes as needed.
3. ICC will advise DHHS on policies for toddlers with disabilities transitioning to preschool and other appropriate services.
4. ICC will provide input on the Annual Performance Report on NEIS.
