

Nevada Early Intervention Coordinating Council (ICC) Strategic Plan

OBJECTIVES:

1. Identify the most pressing issues surrounding services and support for young children with disabilities and developmental delays.
2. Explore opportunities for the ICC to assist and advise the Nevada Early Intervention System in addressing such issues.
3. Establish a 5- year Strategic Plan for the ICC, developing goals and objectives that will guide what and how the Council will support a **stronger Early Intervention System within Nevada.**

The approach to developing the ICC Strategic Plan includes multiple milestones where input from members and key partners will be needed. The expected timeline and input requested are detailed below

TIMING & INPUT NEEDED:

April

Present findings from review of existing data and reports and identify potential areas of exploration for both literature review purposes and data collection efforts.

June

Review and adopt Data Collection and Community Engagement Plan

August

Develop approach to ICC Strategic Planning Retreat

September/October

ICC Strategic Planning Retreat and Equity Assessment

December

Adopt final ICC 5- Year Strategic Plan
