

Nevada 211 Launches Community Resource-Finder App

Mobile app compliments 211 helpline and Nevada211.com

LAS VEGAS, May. 28, 2020 -- Nevada 211, an accredited agency overseen by the Nevada Department of Health and Human Services and powered by Money Management International (MMI), is pleased to announce the release of a new app, available in the [App Store](#) and [Google Play](#).

“In light of the challenges created by coronavirus, it is especially timely that we provide another free, user-friendly tool for anyone seeking health or social service assistance within the state,” said Lisa Martin, Nevada 211 Director at MMI. “It’s now easier than ever to connect with organizations providing local assistance to meet critical needs, including housing, food, utility assistance, transportation, and childcare.”

Use the Nevada 211 app to:

- Find program information, including eligibility and fees (if applicable)
- Connect to a Nevada 211 Call Specialist by phone or text
